

Our number one priority is protecting your information. Accounts Receivable Management Services is dedicated to providing you with superior payment options.

Our commitment to security and continuity: We safeguard your information according to stringent security and confidentiality standards and comply with federal legislation, such as PCI DSS, HIPAA and Gramm-Leach-Bliley. We maintain control over the confidentiality of our customers information for the time we have access to it. We do not sell, share, release or reveal any customer data--period. We routinely destroy your data after a short-time period.

Secure data transmission standards are how we do business. We operate with multiple levels of commercial firewall and perimeter protection and offer secure FTP transmission and PGP encryption. Our secure facility has video surveillance cameras, keyless entry, and alarm monitoring 24 hours a day. If you have questions, please feel free to contact us. We keep your information confidential.
